SEA VIEW PLOT – KEA, CYCLADES

A plot of land with a total area of 460.000 sq.m. at the island of Kea, located in the southern part of the Aegean Sea and one of the most prestigious Greek islands. Athenians and tourists love the Kea island because of its proximity to Attica – it is only 20 km from Cape Sounion, it is very easy to get around on weekends. Ferries from Lavrion and fast boats from Piraeus go to the island regularly. The plot is located at one of the top places of the island and suitable for private development, and, even more, for the construction of a hotel complex or the development of other types of tourism business. Two beaches are located within property's boundaries.

Plot area: 460.000 m²

Energy Performance Certificate: N/A
