The Ellinikon Advantage

An increasingly rare opportunity near the Ellinikon district, this 108 sq.m. duplex maisonette combines contemporary living with strong long-term investment potential. Arranged across the 5th and 6th floors of a modern residential building, the property offers a well-balanced layout designed for both comfort and functionality. The main living level features an open-plan living area with a dedicated lounge and dining zone, alongside a fully integrated kitchen, creating a seamless space for everyday living and entertainment, 1 WC. The upper level accommodates two bedrooms, complemented by one full bathroom, ensuring practicality and privacy. A generous terrace enhances the sense of space and light, offering an outdoor extension ideal for relaxed urban living. Highlights

| Why This Property

- Close proximity to the Ellinikon district, one of Europe's most significant urban regeneration projects.
- Excellent value for money considering construction quality and location.
- Strong investment potential, driven by the ongoing development and future appreciation of the Ellinikon area. Well-suited for end-users and forward-looking investors seeking long-term value.
