Located in one of the most sought-after seaside pockets of Varkiza, just a short walk from the beach, this refined three-level residence offers a rare combination of privacy, space, and coastal living. With a total interior area of 210 sq.m., the residence unfolds across the 3rd floor, 4th floor, and a private roof garden, thoughtfully designed to accommodate both everyday comfort and elevated lifestyle moments. The lower level features a spacious open-plan living area with dedicated lounge and dining zones, seamlessly connected to a large balcony ideal for outdoor living. An open-plan kitchen integrates naturally into the space. This level also includes two bedrooms, one of which features a private walk-in wardrobe and its own balcony, as well as a guest WC. The upper level introduces a versatile lounge area, perfectly suited for a home library, private office, or relaxed reading space. This level also hosts two master bedrooms. One master suite includes a private walk-in wardrobe and balcony. At the top, the residence is crowned by a private roof garden offering exceptional flexibility. Depending on the owner's preference, the space can accommodate a private swimming pool or be transformed into a summer cinema or bespoke entertainment area. The swimming pool can be installed by the developer upon request, allowing for a turnkey solution. Additional Features: 1 underground parking space, a storage room, and access to exclusive communal amenities, including a common sauna and gym - a rare offering in boutique residential projects of this scale.
